Parent information session was attended by parents who all were keen to proceed with this program we have planned. However, because Catholic Order schools such as Villanova finish on Friday 30th November, it was decided that we would only have the two sessions, Friday 16th November and Friday 23rd November with the First Rite of Penance being celebrated after the session on Friday 23rd. That means that the session might finish a little later – more like 7.30pm and parents will pick up children from the Church or join the children for the Rite. I think we will start this at 7pm if parents would like to be there.
