Trish with Bishop Ken Howell VG
24 June 2021

Trish receiving her Certificate of Appreciation for 10 years of service to the Archdiocese of Brisbane. This is my 2nd acknowledgement — my initial 10 years of service were teaching in primary schools in the Archdiocese of Brisbane. I take this opportunity to thank St James parishioners and priests who have made my parish secretary journey such an enjoyable adventure. It has been a joy and a privilege to be part of this amazing parish.

From Bishop Ken Howell VG... With the uncertainty surrounding worship at this current time, it is better that we **postpone the Peter's Pence Collection**. A new date will be decided in the near future.

Effective 9 July the 'Check in QLD App' is required at all Mass centres. All visitors, employees and volunteers will be required to use the QLD App to check-in. The marshal shall be responsible for ensuring that each visitor has checked-in via the QLD App by viewing the successful check-in screen and keeping a head count to ensure capacity limits are maintained. For those visitors who do not have a smart phone or are unable to connect to the QLD App the marshal must record their contact details including full name, email address, (residential address if email not available) phone number, date and time of visit. These records must be stored securely and retained for at least 56 days.

St. James Parish acknowledges the Jaggera People of Coorparoo as the traditional owners of the land on which we live.

Vinnies Winter Appeal 2021 HELP END THE PAIN OF POVERTY

Every day at the St Vincent de Paul Society, we see that ordinary people are able to make an extraordinary difference in their local communities. We are inspired by the joy of the Gospels and our Catholic social teachings to do things that matter. The spirit to feed, heal, shelter, nurture, and inspire – the power to change lives – is in everyone.

As we enter this winter in the shadow of coronavirus, your commitment to helping those experiencing disadvantage, poverty, loneliness and homelessness is still very much needed and appreciated.

If you are able to make a contribution to the Vinnies Winter Appeal, please do so today. Please help us to help others. If you wish to give a **financial donation**, envelopes for this purpose will be available at the door or on the pews.

BRINGING HOME THE GOSPEL

Two by Two

Jesus gathers his twelve apostles and sends them out two by two. He gives them authority to heal and drive out unclean spirits. He tells them to take nothing but a walking stick, the sandals on their feet and the tunics on their backs. If they were not welcomed in a town, they were to leave. The apostles cured many people on their journey.

© Jean Denton flock.pastoralcenter.com

"He instructed them to take nothing for the journey besides a walking stick—no food, no sack, no money."

Sheepish Question:

What practical matters worry me as I keep my eyes on the Gospel's prize?

a decision or position, discuss it in private.

Jesus tells his disciples that where two or three are gathered in his name, he is with them (Matthew 18:20). This is the distinct advantage of Christian parenting; we know we are not alone. Just as the apostles knew Jesus walked with them in their ministry, we know Christ is also with us.

Jesus sends his apostles out on a practice run. They are to preach as he preached. They will be anointing the sick and driving out demons. He deliberately sends them out in pairs because he knows they will need each other for support and discernment.

Parenting, too, is a job best done in pairs. It is an exhausting, frustrating, uncertain, business that can lead a single person to doubt his capability and sometimes even his sanity. If you are a single parent, get help! Find a couple of friends or relatives who will listen and help out. Connect with other parents who will listen, support (advise if needed) and champion you.

When there are two of you raising a child, learn to rely on each other. It doesn't matter if both parents work outside the home or one parent is the primary wage-earner, both partners should share equally in the job of parenting. Consult with each other often, making sure you provide an undivided front. If you disagree about

FAMILY RESPONSE

Ask each family member to talk about the last time they needed help from someone. What did they do?

PERSONAL RESPONSE

What part of parenting do you most need help with? Where and how can you get that help? What do you want to remember from last week? What are you looking forward to next week? What are your concerns?
